*moved to a different core program

**includes change in core program, 1 added to FM and 2 added to IM

***combined with existing IM program - two campuses

2018-2019 Family Medicine total # of programs include 4 ACGME/AOA single-accreditation programs, with 11 filled slots; the numbers were previously reported under AOA and are now included in the ACGME totals. As of Oct. 2019 only 1 AOA program remains, status noted as working on ACGME app, no funded or filled positions, two programs ACGME-accredited, 3 programs closed. As of Oct. 2020 single accreditation system!

Numbers reported to ACGME and AOA as of October 2020, off-cycle fellows are added and removed at various times of the year. As of October 2020, there are 5 new IM and 2 new FM programs that have been ACGME-approved for the next cycle and not included in the reported totals, 4 IM and 2 FM of which are participating in the 20-21 Match. An additional 5 new IM and 3 new FM programs just approved in July and September 2020.

'filled' numbers may include multi-year trainees or off-cycle fellows

temporary slots are often added to account for off-cycle and multi-year
